

**CRAFCO**<sup>®</sup> INC  
ATHLETIC SURFACES

# RUNNING TRACKS

DELIVERING THE VERY BEST IN ATHLETIC SURFACE INSTALLATIONS

# Our Market

- From new installations of synthetic outdoor polyurethane athletic running tracks to resurfacing, maintenance and repair.
- To our customers, we aim to exceed expectations and are committed to providing the highest quality products and service.
- From your first consultation through a new installation or restoration project, you'll like working with our team, trust our approach and appreciate the focus we put on quality and customer satisfaction.

# Our Strength

- CrafcO gained over 75 years of expertise in athletic surface coatings with the addition of Copeland Coating to the CrafcO family.
- The staff's dedication to quality and customer satisfaction combined with CrafcO's 45 years of successful manufacturing, engineering and innovation provides the winning combination for your track surface needs.

# Our Surfaces

World-class surfaces require precision, experience and a high attention to detail. At CrafcO our surfaces:

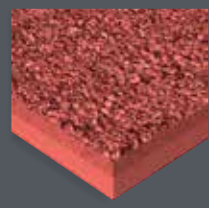

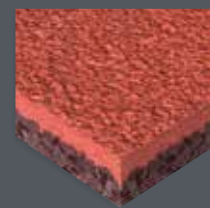

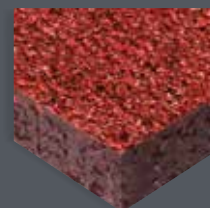

- Provide a variety of track compositions that meet all needs and specifications.
- Adhere to stringent QA/QC guidelines, performed by our expert, in-house team.
- Are made from materials that are highly durable, providing years of service.
- Are easy to maintain.
- Are environmentally responsible.
